

WINGS activities

WINGS offers a wide range of activity zones where participants can explore new skills, take on challenges, and build confidence through hands-on experiences. Each zone focuses on a different type of activity, from creativity and teamwork to adventure and problem-solving.

No matter where you go, you'll have the chance to try something new, work as part of a team, and create lasting memories.

Water activities (off-site)

Launch your next adventure on the water!

Take to kayaks, rafts, or paddleboards and build confidence on the water. Learn paddling skills, work together, and enjoy an unforgettable experience exploring local waterways.

Backwoods skills

Learn to thrive outdoors.

Discover essential outdoor skills like fire lighting, cooking, and shelter building. Gain practical knowledge and confidence in outdoor living, teamwork, and self-reliance.

Craft and construction

Create, build, and bring your ideas to life.

Get hands-on with a range of crafts, from painting and woodwork to creative projects. This is your chance to design, build, and take pride in making something unique.

Wheels zone

Ready, set, roll!

From cycling challenges to wheeled activities, this zone is all about movement, control, and fun. Test your balance, coordination, and determination on wheels.

Performance zone

Take the stage and express yourself.

Whether you love music, dance, drama, or comedy, this is the place to perform and share your creativity. Join others to create moments full of energy, laughter, and inspiration.

Enterprise zone

Think, plan, and create.

Explore the world of ideas, teamwork, and enterprise. Develop problem-solving skills, learn about trading and creativity, and see how innovative thinking can make an impact.

Town zone

Explore, discover, and solve.

Take part in challenges and activities that encourage curiosity and teamwork. Investigate clues, complete tasks, and uncover surprises along the way.

On-site water zone

Make a splash and build confidence.

Enjoy water-based fun closer to camp. From team challenges to fun games and experiences in inflatables or a bucket of sponges, this zone combines skill, balance, and teamwork in the running theme of water.

Climbing zone

Reach new heights.

Challenge yourself with climbing, bouldering, and other vertical adventures. Learn about safety, build trust, and develop strength and confidence as you scale new goals.

Dry activity zone

Teamwork, energy, and fun.

From obstacle courses to team games, this zone is all about collaboration, competition, and confidence-building. Every challenge helps you grow and achieve something new.
