

Activity Details

Name	WINGS Jamboree Risk Overview
Location	WINGS 2026
Description	Top level risk assessment for WINGS Jamboree.
Assessor	Tony Phillips (Head of Risk)
Assessment Date	03 July 2026
Document Version	3

Risk Level Key

Level	Critical	Very High	High	Medium	Low
-------	----------	-----------	------	--------	-----

Specific Risks

Category: People & Safeguarding

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-001	People & Safeguarding	Missing young person	YP, Leaders	Wristbands, sub-camp roll calls, Appendix I Missing Person procedure, 20-min escalation to police, safeguarding team on-call, controlled site exits, security patrols	Medium
WINGS-002	People & Safeguarding	Safeguarding breach / inappropriate adult behaviour	YP	DBS checks, Safe From Harm for internationals, Code of Conduct, two-deep leadership, no 1:1 situations, Safeguarding Team 24/7, reporting routes	Medium
WINGS-003	People & Safeguarding	Emotional distress / welfare concerns	YP, Adults	Welfare team, quiet spaces, sub-camp support, medical/welfare triage, Code of Conduct	Low
WINGS-004	People & Safeguarding	Lost child during public visitor periods	YP	Controlled visitor zones, wristband ID, stewarding, radio comms, Missing Person protocol	Low

Category: Medical & Public Health

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-005	Medical & Public Health	Delayed medical response	All	ScoutMed 24/7, 5-min response target, medical centre + outposts, roving teams, radios	Medium
WINGS-006	Medical & Public Health	Heat illness (heat exhaustion / heat stroke)	All	Appendix K heat triggers, hydration points, shade structures, programme modification, welfare checks	Medium
WINGS-007	Medical & Public Health	Hypothermia / cold exposure	All	Cold weather triggers, welfare tents, clothing guidance, delayed morning programme	Medium
WINGS-008	Medical & Public Health	Infectious disease outbreak (D&V, respiratory)	All	Isolation tent, enhanced cleaning, IPC protocols, medical escalation	Medium
WINGS-009	Medical & Public Health	Food poisoning / allergen exposure	All	Vendor hygiene checks, allergen labelling, sub-camp food guidance, medical escalation	Medium

Category: Fire & Fuel Risks (Site-Wide)

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-010	Fire & Fuel Risks (Site-Wide)	Tent fire / fire spread in sub-camps	YP, adults	3m spacing, 3m fire breaks, no open fires/BBQs, LPG controls, fire wardens, extinguishers, muster points	Medium
WINGS-011	Fire & Fuel Risks (Site-Wide)	LPG cylinder failure / explosion	All	Gas safety certificates, upright storage, hose inspection, vendor checks, sub-camp guidance	Medium
WINGS-012	Fire & Fuel Risks (Site-Wide)	Lithium battery thermal runaway	All	Charging guidance, non-flammable surfaces, remove damaged batteries, recycling	Low
WINGS-013	Fire & Fuel Risks (Site-Wide)	Catering unit fire	Public, staff	Vendor RA checks, extinguishers, gas certification, daily inspections	Medium
WINGS-014	Fire & Fuel Risks (Site-Wide)	Petrol	All	No petrol equipment on site (Crown Estate stipulation)	Medium

Risk Assessment

WINGS Jamboree Risk Overview | WINGS 2026

Category: Weather & Environmental

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-015	Weather & Environmental	High winds causing structural failure	All	Appendix K wind triggers, suspension of activities, arena closure, engineer inspection, evacuation	Medium
WINGS-016	Weather & Environmental	Lightning strike	All	Lightning detectors, 30/30 rule, immediate suspension of outdoor activity, sheltering plan	Medium
WINGS-017	Weather & Environmental	Heavy rain / flooding	All	Drainage checks, route closures, relocation of sub-camps, pumping, EA alerts	Medium
WINGS-018	Weather & Environmental	Extreme heat	All	Mandatory rest periods, hydration, shade, programme modification	Medium
WINGS-019	Weather & Environmental	SSSI environmental damage	Site, wildlife	Tree fencing, biodegradable paint, controlled vehicle routes	Low

Category: Infrastructure & Utilities

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-020	Infrastructure & Utilities	Power failure (generators)	All	Contractor RAMS, backup generators, fuel management, PAT testing	Medium
WINGS-021	Infrastructure & Utilities	Water supply failure	All	Multiple standpipes, bowsers, daily checks, contingency supply	Low
WINGS-022	Infrastructure & Utilities	Sanitation failure (toilets/showers)	All	Site Equip contract, cleaning schedule, emergency servicing	Low
WINGS-023	Infrastructure & Utilities	Vehicle movement in pedestrian areas	All	Segregated routes, escorted vehicles, 5mph limit clearly signed at gates G1B, G2, and G3 and at all internal junctions	Medium
WINGS-024	Infrastructure & Utilities	Structural collapse (marquees, stages)	All	Contractor sign-off, wind thresholds, engineer inspections	Medium

Category: Crowd & Movement

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-025	Crowd & Movement	Arena crowd crush / congestion	YP, adults	Steward ratios, one-way flows, timed exits, capacity limits	Medium
WINGS-026	Crowd & Movement	Night-time movement accidents	All	Lighting, torches required, security patrols	Low
WINGS-027	Crowd & Movement	Slips, trips, falls (site-wide)	All	Ground inspections, matting, weather adjustments	Low

WINGS Jamboree Risk Overview | WINGS 2026

Category: Security & External Threat

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-028	Security & External Threat	Unauthorised site access	All	Controlled gates, wristbands, security patrols, fencing	Medium
WINGS-029	Security & External Threat	Terrorist attack	All	Secure Site with controlled entry points. Run-Hide-Tell, lockdown/evacuation plans, police liaison	Medium
WINGS-030	Security & External Threat	Theft / property loss	All	Security patrols, Code of Conduct, Unit management	Medium

Category: Transport & Off-Site Movement

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-031	Transport & Off-Site Movement	Bus collision (to/from off-site activities)	YP, adults	Licensed operators, manifests, seatbelts, supervision	Medium
WINGS-032	Transport & Off-Site Movement	Road traffic collision on site	All	Segregated routes, marshals, speed limits	Medium
WINGS-033	Transport & Off-Site Movement	Breakdown of transport	All	Contingency vehicles, comms, supervision	Low

Category: Contractor & Vendor Risks

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-034	Contractor & Vendor Risks	Contractor unsafe work during build/breakdown	Staff	RAMS, inductions, supervision, CDM compliance	Medium
WINGS-035	Contractor & Vendor Risks	Vendor non-compliance (food, gas, electrical)	Public	Pre-event checks, daily inspections, certification	Medium

Category: Activities

Risk ID	Hazard	Description	Who is Affected	Control Measures	Risk Level
WINGS-036	Activity Risk Assessment	Risk associated with each activity individually assessed	All	Individual Risk Assessments to be written for each activity taking place Activity specific risk assessments reviewed and approved by risk management team in line with Girguiding and Scout risk assessment requirements.	Medium
